Modern society is hypnotized by Socialism. It is prevented by Socialism from seeing the mortal danger it is in. And one of the greatest dangers of all is that you have lost all sense of danger, you cannot even see where it's coming from as it moves swiftly towards you. Dwell on the past and you will lose an eye; forget the past and you lose both eyes. Aleksandr Solzhenitsyn, Gulag Archipelago.

A struggle session was a form of public humiliation and torture that was used by the Communist Party of China. Struggle sessions developed from similar ideas of criticism and self-criticism in the Soviet Union from the 1920s. The term refers to class struggle; the session is held, ostensibly, to benefit the target, by eliminating all traces of counterrevolutionary, reactionary thinking.
